

## DISCLOSURE INDEX VIRTUAL SLS MIS 2020

The Society of Laparoscopic & Robotic Surgeons (SLS), in accordance with the Criteria and Standards for Commercial Support of the Accreditation Council for Continuing Medical Education (ACCME), has implemented a process where all individuals in a position to control the content of an educational activity have disclosed to SLS all affiliations and relevant financial relationships with any commercial interest (any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients

As an accredited CME provider, decisions in the planning process of this conference were made free of the control of commercial interests. Disclosures have been received and reviewed and include all persons in control of content including, but not limited to, Planners, Reviewers, Presenters, and Moderators. In accordance with the SLS's Conflict of Interest & Resolution Policy, any conflicts of interest pertaining to this CME Activity have been resolved. Additionally, disclosure at the time of participation must be made if discussion includes the use of products for which they are not labeled (i.e. off label use).
